Mr. Se-Ha-Da's Day

Their birthday is
the same, even both
have it the same
May 20th 12 AM
How life is a year
older though

Their mothers
had the same
doctor who is
Mr. Da's sister
in-law
And they've
been living in
the same house
next to each other

How life was all for a year
when he was 9 years old
or so, so he ended up
being in the same grade

And they have
been in the same
class off the
beat ever the
years

Though in our
middle school guys
and girls used different
buildings, but we
were technically in
the same class

I hear we are
going to use
the same building

Look !

Hey, enough.
I felt dropping as
well a little, so I know
how you must feel
right now. Come back.

I will be

time.

The secret
is ..

My open mind which
doesn't require beating
before coming in

Open
mind ?

Open ..

Yes, open
mind

Excuse me, may
I come in ?

I am not
going

It is a working
out for you because
you look down on

As a kid, you thought
page needed to become
girls

That's not
true !

You thought they
were arounds who
poked in back

and while
you weren't paying
attention,
they've grown up to
be formidable answers.
if not stronger
then you are
used to face
them, in power
anger

NO
I AM NOT !

Don't be afraid.

Don't it

I am not!

Good

*Everyone else
gives up the ground.*

*You have no idea
how painful you
looked -*

What?

*Groups will spread
quickly, your high
school days will be
dark.*

But there's

With our teachers' dedicated efforts -

We promise that we will not fail to complete it.

March 4th, year 2000 -

영: Yeah, the guy from G.D. school.

He was very popular.

Someone said he was a little, was it?

The last scene in the movie.

Right, he had got it all.

Come to, good for you.

But we were not at the school.

Right? The one who pushed me. He did it? Where did it?

Yes -

Someone's talking about me?

Wait, wait! Wait --

Are you the my
classmate (Bibi, Hi-Do
from Hime-Gaki
elementary school)?

So sorry

Yeah,
that's her!

!!

Wow,
she hasn't
changed at
all! She looks
exactly the
same as
before.

Can you recognize
my life as
the life
and the life

He became popular as they speak.

Logo and Pinocchio?

well, let's say darker.

That was ...

How-lett darkness ...

which I could
occasionally
notice ...

Though I am used
to it now

So, I don't like
people

You're not
a strange
guy!

Anyway,
it's your
responsibility!

Oh?

I don't know what the
hell it is! Explain it to
me!

You need to
make friends
of you!

That's
it!

... What you
see is their
true nature,
or current
status of their
mind.

What???

You know
what it is.

There are some expressions
for that, like "You showing
his true face after he's
cornered!"

Like "He's on edge,
he's showing his
true attitude."

**"Thompson's not dead.
Thompson's still
pursuing his
quest."**

**"Thompson
always
pursuing
quests.
Thompson
pursuing."**

Shawna - am
able to see that
without any
knowledge of

It's good.
You don't need to
wonder whether a
stranger is good
or evil.

Are you still as able
to shoot me, you
Thompson, eh?

Does that help
me live in this
world?

== Rape ==

Not at all.

Like the super hero!

Close in.

Close the doors.

It's still
cold outside.

Mr. I am leaving
now.

You walked to here.
I can tell
for her you are
always hot-headed.

I mean that you
are glad since every-
thing is going as you
desire.

Enough?

Are you going to
tell that it is
fine this time also?

Do you hate
me, too?

And...
you?

Don't expect
much in child-
ish feelings
from me,
mom.

You are
wrong.

I don't.

And
you.

I feel like
silly.

*And even if
we are a
mother and
a son...*

It won't be free.

*Let me graduate
at least.*

Stop looking

Ang-
rying...

Here, a gift

You really piss
me off.

An eye patch
again?!

You told me to
take responsibility.

Yeah, but
stay living
around?

That one
is a real
man.

You had the
other man the
other day too.

Are you going to keep
meeting people then?

A real professional
made it, so it will
work.

Oh? /
Pfff-ha...

Are you getting
along with your
room mate ?

Good for
you !

Yep, she's your
room and you are
her size. You two
gotta get along.
Your mate's a little
strong, but she's
very pretty !

Pretty ?

Yep,
very !

" I must say I am
surprised that she
proves such
an ability despite
of her dumb
appearance " .

" I take that being
with you for so many
years may have had
an effect on her pretent. "

... That was
what she said.

She said your
room is not
small though.

Pretty !

Yep, she said to
Ongorod or her
and mine, your
parents are in ...

Okay !
I take that
"very pretty"
back !

Whatever

In your case, it seems
these crucial elements
were involved

Though I
tally not
four 7

Later,
I am not
yelling

This one is probably
which translates to
increased hormone

My mother contributed
the second element by
telling you the three was
story. The Internet
interested in you

The last one is that
you've been with me
for so many years.
My character ability
has affected you

Don't it
make sense 7

Anyway, there are
two ways to avoid
sailing that ship

You either use
that age patch or
forget about gaps

Good news is
that it's temporary
for you, it will
end

And before
is that?

Are

It's related to
your puberty, so
by end of your
high school days

Are you kidding?
I can't wear this

It's not all bad

What ...?

Why ...

Lago and

Lago and

After school -

Hey -

What the hell
are you thinking?

Oh?
What?

You are shopping
for clothes
after the mess
you created back
at the school.

It's better for you
not to leave.

Knowledge
is power though.

Knowledge
is salt. Don't
take it too
much.

Whatever?

How
about
this?

Oh, I must
say that you
have a talent.

It's a nice choice,
sir?

It will look
perfect on
you?

There is more,
I know you have
a skill too.

Why don't
you try it?

How do I look?

That is pretty short.

My...

You look fabulous.
It makes you look
like a member of
a circus.

Your legs
are...

Hey, my
legs look
pretty!

You
look like
the...

Queen.

You will
regret...

That
up!

Are those
really
my legs?

What?

The story
called Legs

I am becoming
narrow.

What
did you
mean?

My...

Don't you agree?

Yes.

The excitement ... !
It is doing me in !

For me, but also
friends give up on
their friendship and
their sports !

... You really
are a bitch.

Come on, it's
free to imagine.

It's still wrong !

It's not very cool.
Remember Ben, Ha-Du
like Fala man.

ANIME & MANGA

See, how did
look like
you ?

You are nothing

What is that
supposed to
mean ?

It's just as I said.
I can't see your
true shape.

Look!
Come on,
you can tell
me.

Shadows don't
generally use
their powers on
family members.

What ?
That works.

It works like this.
To get a good view
of something, you
have to keep a distance.
You can't see well things
that are right in
front of your eyes.

So we don't
generally use
the true shapes
of those who
are close.

So, you are saying
that the closer some-
one is the less you
can see ?

Yes, let me
give you an
example -

Your brother who
is just a policeman at
home.

Looks like your a FBI member !

Fiji, don't just tell me !
Are you cleared it ?

All your age, Fiji.

But at work he
is respected as a
firm and steel
detective.

Get it ?

That
means...

Let's not
give away...

Girls said you were
a hot guy...

Yep, not long in the ball

Oh, of course I
was hot!

In your
dreams.

Hey!

Now listen,
that you might
also be a hot
guy.

Are you alright?

Ja-Hey!

Hg -

Are you dead
or alive?

Gnn

Would you do
perform CPR?

Do you know how many rounds you mean?
That was wrong

Aig... you
ruined my
mood

Are you hurting me?

Aig...

I will get her back.
Dude.

I wish I had
been on this
bench.

Dude...

I could get in my
way.

Dude...

I won't get in
your way I
Dude...

Do you know what
you are talking about?
You should let some
things go.

Because of you, I can
change the record
in sports, in grades
and as well as in life.

Though some people
believe we are close
friends, I don't have
to fight for the top.

But as a rival,
it hurts my ego.

Do you know just
how hard I must do
in order to stay on
the top?

You don't even try
hard and you are
always on my tail.
In my opinion, you
are the monster.

The only reason
your mother is
oppressing you is
because you have
talents.

I got
on a quest
to find...

well...

A quest... we are
getting greedy.

Let's face it.
Not many can
practice freely in
private like this.

Are you
pissed?

Hey —
Yo Jim.

There — that you're always
here instead of out
when it comes to
girls.

It 'frang.
Yo Jim, and
who was
the third?

All of them had
no interest in you
in the beginning.
They wanted you
just for your
background and
wealth. But they
fell for you.

Simon Stein:
You never opened
my mind to them.

Those babies,
they left for me

 You may remember a kid

Let me introduce to you.

My new roommate

Hello, I am

Hi,

You didn't believe me that
 you believe him?!

Anyway, my dad is

Isn't you ashamed? You are a parent!

What kind of father runs away from home?

Give him a break. Leave him be.

Goodness, you look awful!

Thanks.

So, what the hell happened to you?

Those three have become such older men middle school.

I went to my very dream house a mansion but fell into a hole. A beggar helped me out.

I lost my dog at a station... and the dog had all of my ID and money...

If it weren't winter holidays... I wouldn't have returned.

Enough! I know you are filled with people helping you out.

Anyway... did you meet him? (his name)

her...

All she
wants is...

Her life...

"Get
Serena in
the end"

She has not
seen...

...

The feeling
only now that
she is with me...

She left you
at home on the
good night to
me.

She showed up
once or twice if
lucky at these
parts. Now she
wants me to
replace her

Why can't you
forget about her
ever and keep
missing her,
father?

She is your
mother!
Don't talk about
her like that!

And then... So...
Why are you being
so harsh to me? I
didn't you want
me?

Maybe,
Not at all!

It, hey...

Remember, you
are still about
the dog...

While you were
gone, a lot
happened.

Is that it?
I guess men in our
family can't get
women they truly
love.

I am sick of this!
Drop it already!

Yeah!
Please!

You know, you should have said that you were sleeping by me because you like your father

You hate her that much

I know I like you more than her probably

Because you want to break through a lot

Sleep

Will you just let her go ?

There is only one chance

Don't let her go and don't make the biggest regret in your life

I don't want you to become like that ...

Yes

What if I refuse ?

If you refuse,
whatever

is that all you
can come up
with a word?

Good night
are

Good
night

... End

There is no way
that I will become
like you.

that I am
like my
mother ...

huh ...

I gotta be
adventurous...

How do you
grow it?

How can you read
a book at a time
like this?

Why
not?

Why didn't
you tell me?

That love is the
mad of love?

What?

Well, that
certainly, now?
I can not guess
tell me every
single thing.

I am not
in jelling
now?

Well, you look
like crap by
the way.

You would never
guess what I went
through today !

... I think I do
though.

You might have been
bullied by her then.
Or her sister (maybe) found
out about you first, and
he threatened you to
break up with him.
The school does
called you ?

Girls hate you
more

well...

well
what ?

How can you
be so easily
like that ?

Are you
laughing
at me ?

You know
I am not

Don't
you know?

What?
Why ?

You
know...

You know
what ?

You two

Shouting off
way too much
around the school ...

Are you sure that
they are helping
you

But ...

I couldn't
help myself ...

They
are
not
helping
you

They
are
not
helping
you

They
are
not
helping
you

They
are
not
helping
you

His clear blue eyes
were staring in fear
that I might refuse.

"May I...
hold your hand?"

The way he was
drawing his hand
toward me...
So delicate and
kind... He got
me, refuse that.

And you didn't
give me any
chance!

Oh?

Didn't you...

What?

Of course, keep
this secret from
Ju-Hyup

What do
you say?

Alan: So...

Are you still unable to
sleep when it rains
at night?

「おれは、おれは」

Whistle...

Whistle...

Whistle...

No way he's suffering
from insanity

Like Sam that
total nut ...

Who's under?

Is that enough
I do ?

Is that
enough
I do ?

Don't trust
Sam I told about
before yet !

You, Sam
won't be
a help ...

Me...I don't see
a way

He is getting
worse every
day...

And I don't have
the stamina power
the San Hu to help
me.

There is nothing
I can do

At that time,
only you two
are going to
live.

Shen
has

Should I
abandon my
country right

What an idiot!

You couldn't
find your way
back home?

If someone
stole you, he
will thank you
one day!

What? You
could dress
like that?

You look
ridiculous!

Then why are you crying?

Don't look
down...

Now I'll
give Father
the right
hand

You are going
to be free...

So it's okay
because you
are just stupid,
well okay

Because...

But why don't
you get sick, do they?

Do they?

You are the best...

No matter how
you punish,
I will never change
inside... because
you can't change...

아이치

You are not a fool...

it's gone —

I feel refreshed —

Empty —

Clear —

That's still true.

...So I think
I remember this.

Because it's snowing
heavily outside ?

Even though she has forgotten why
